

PAGE LOG

A Community Reading Challenge

We're on a mission to become the Best Read Community in America and we need your help! Join our community reading challenge and log the PAGES you read through December 2020!

Our goal is to read **1 million pages**. Beginning in *The Missourian's* April 4-5 edition, we'll report our progress toward that goal.

We need everyone's help – children and adults! Challenge your neighbors, your family, your school, your office or your organization! When you sign on to log your pages, tag your group and we'll report our top teams!

NAME: _____ **AGE:** _____

Log what you read – books, newspapers, magazines. To log your pages, visit **eMissourian.com** or **CommunityLiteracyFoundation.org**. Not into the internet? Just bring your completed log to the Washington Public Library or Neighborhood Reads Bookstore and pick up a fresh log to start again!
